TRANSFORMING LIVES AND COMMUNITIES THROUGH THE CHRISTIAN GOSPEL

The Christian Education Trust exists to make Christian disciples who transform lives and communities in New Zealand and beyond. To reach this goal requires clarity about where we are going and how we are getting there. This strategic plan looks to articulate how we will achieve our purpose.

Our plan is rooted in our commitment to grow Christian character in our students and staff and other stakeholders. This is the foundation in all that we do. Our other core pillars are: offering good governance to all our Entities, looking to grow God's kingdom, and providing effective stewardship of all that God has blessed us with. We seek to achieve this by providing biblically based, Christ-centered education for students of all ages.

We envision a vibrant community where individuals are empowered to grow their faith and actively serve those around them. Our hope and confidence in Christ can be summed up in these words:

“We continually ask God to fill you with the knowledge of His will through all the wisdom and understanding that the Spirit gives, so that you may live a life worthy of the Lord and please him in every way: bearing fruit in every good work, growing in the knowledge of God”. (Colossians 1:9–10)
